PO Box 75 Metamora, IN www.whitewatercanalscenicbyway.org

The Whitewater Canal Scenic Byway is a reality. After two years of hard work by many people throughout the Whitewater Valley Region INDOT Commissioner, Karl Browning, has officially designated the Whitewater Canal Scenic Byway an Indiana byway.

To mark the historic route along the byway, signage will be needed and I/we,

_____, would like to contribute
\$_____ towards the purchase of route signage and show my support for the
Whitewater Canal Scenic Byway.

Price per sign - \$100.00. A \$100.00 gift entitles me to a sticker to be placed on the back of a sign denoting I/we donated this sign and a listing on the byway web site under patrons.

A contribution of up to \$99.00, I/we will be listed on the byway web site under patrons.
